Perfect. Thanks Stephanie. I will await the scanned copy. You only need to scan the signature page.

**Subject:** San Jacinto Letter to David Keith (USACE Armor Cap Reassessment of Western Berm)  
**Importance:** High

I left a copy of this routing slip and letter on Dyiann's desk early yesterday afternoon and put the folder in Ann's chair (she was talking with I-Jung, so I did not interrupt).

Valmichael left me a voicemail message this morning, asking about the letter, so I went to check on it; I took it from Ann's chair.

Carlos has signed this letter for Valmichael, so I will just get it ready to scan and send to Valmichael, then I will mail it certified mail today.

I will leave a copy on Ann's chair and will send the certified mail receipt and copy of letter and enclosure to Valmichael via interoffice mail.
